

School Registration Documentation

To get started with Eco Schools registration, follow the link to access the portal and choose your language preference. Begin by reviewing the 7-step process and decide on your award. Register your school, provide necessary details, and upload a profile image. Confirm your email, then log in to update school data and verify information. Complete the steps by watching videos, taking quizzes, and finishing tasks. Once all requirements are met, submit your progress for auditing and await the Eco Schools team's feedback.

Step 1 : Click this link to start <https://app.ecoschools.my/>

Info: If you want to change the language, click this drop-down and find the Malay and click it now your page will be translated to Malay

pengenalan

Step 2: Read the details about the 7 step process and decide the award

Bronze  Eco-Schools Bronze Award The Bronze Award is the first of three award levels in the Eco-Schools Malaysia programme. For many, this is the first symbol of success in the Eco-Schools Malaysia programme. To be eligible for a Bronze Award, a school must follow the Seven Step Framework to complete at least one theme. Download Now!	Silver  Eco-Schools Silver Award The Silver Award is the second of three award levels in the Eco-Schools Malaysia program. To be eligible for the Silver Award, a school must follow the Seven Step Framework to complete at least two themes. While many schools begin by working on a single pathway to achieve a Bronze Award. Download Now!	Green Flag  Eco-Schools Green Flag Award The most prestigious of Eco-Schools awards, the Green Flag Award is the third of three award levels in the Eco-Schools Malaysia program. To be eligible for the Green Flag Award, a school must follow the Seven Step Framework to complete at least three themes. Download Now!

Welcome!

Welcome to the Eco-Schools Malaysia Dashboard!

Dear Eco-Schools,

We are thrilled to welcome you to the Eco-Schools Malaysia Dashboard, your all-in-one platform for managing and tracking your school's environmental initiatives. Here, you will find resources, tools, and support to help you make your school more sustainable and eco-friendly. This platform is designed to assist you in your journey towards environmental excellence, from monitoring utility usage to documenting your ongoing projects. Together, we can make a significant impact on our environment and inspire the next generation of eco-leaders. Thank you for your commitment to sustainability and for being a part of the Eco-Schools Malaysia family. Let's make a greener future, one step at a time!

Warm regards,
Eco-Schools Malaysia Team

Selamat Datang ke Eco-Schools Malaysia Dashboard!

Kami dengan sukacitanya mengalu-alukan anda ke Eco-Schools Malaysia Dashboard, platform serba lengkap anda untuk mengurus dan menjejaki inisiatif alam sekitar sekolah anda. Di sini, anda akan menemui sumber, alat, dan sokongan untuk membantu anda menjadikan sekolah anda lebih lestari dan mesra alam.
